FAQs:

What is the workshop schedule?

Sign-in on workshop day is from 8:30 to 8:55 AM. Classes begin at 9:00 AM. The concert will begin at 2:05 PM. A responsible adult should be at the workshop with the students (1 adult per family is fine).

What should my child practice before the workshop?

Please review all the pieces listed in this brochure, and practice the Suzuki Goes West music with the teacher's help. Also, students beyond Twinkles should prepare a solo piece to play in his/her masterclass. It doesn't have to be the most advanced piece they know; instead, choose a piece the student plays very well.

Who may come to the concert?

Family and friends are invited to the concert, which will last approximately 1 hour.

What about food?

Snack and lunch for parent and student are included in registration. If your child has special dietary needs, please bring what he/she needs.
