FAQs:

What is the workshop schedule?

Sign-in on workshop day is from 8:30 to 8:55 AM. Classes begin at 9:00 AM. The concert will begin at 2:05 PM, and will last about 1 hour. A responsible adult should be at the workshop with the students (1 adult per family is fine).

What should my child practice before the workshop?

Please review all the pieces listed in the repertoire list on Page 1, and learn the Suzuki Olympics music with your teacher's help. Also, students beyond Twinkles should prepare a solo piece to play in his/her masterclass. Avoid choosing the most advanced piece they know; instead, choose a piece the student has played well for a while.

Who may come to the concert?

Family and friends are invited to the concert.

What about food?

Snack and lunch for parent and student are included in registration. If your child has special dietary requirements, please bring what he/she needs.
